Course Description

This represents a return to the same location we used for the championships in 2007 and 2008. It is still a classic criterium course located in the northern historic part of Hagerstown, MD. It is 1.33 km or 0.83 of mile in length. This course has the tight left hander that leads to the now famous down hill left hander. There is the long fast back straight that funnels riders in to the fast sweeping left hander, which shoot you back on to the finishing straight.
